**Jim's Blue**  
Jim's blue, God,  
Jim's blue,  
Ain't prayin' exactly Jim's now—  
Teard blind, I guess,  
Can't see my way through.  
You know I ain't astin' now,  
I ast for so many times—  
Maybe I hadn't order repeated  
Like the Pharisees do:  
But I ain't stood in no market place,  
It's Jim's 'ween me and you,  
And you said, "Ast,"  
Somehow I ain't astin' now,  
And I hardly know what to do.  
Hope Jim's sorter left, but faith's still here—  
Faith ain't gone, too,  
I know how 'tis—a thousand years  
Is a single day with you,  
And I ain't meanin' to tempt you with  
"If you be"—  
And I ain't doubtin' you.  
But I ain't prayin' tonight, God—  
Jim's blue.

WILL DISCUSS  
GARBAGE BIDS  
FRIDAY NIGHTCity Council Meeting  
Calls on Executive  
Session

## SEWER CONTRACT IS LET

Judges for General City  
Election April 2 Are  
Appointed

Discussion on the garbage disposal bids will be taken up at an executive session of the council Friday night, it was decided at the City Council meeting last night.

W. B. Nowell, Jr., chairman of the fire prevention committee of the Chamber of Commerce, appeared before the council and presented the matter of increasing fire prevention in the city and thereby lowering the insurance rates.

"Fire hazards have been greatly lessened in Columbia during the last two years," Mr. Nowell said. "The Missouri Inspection Bureau grades our fire department in the fourth class and the city continues to be pointed out in the report that the erection of a 250,000 gallon storage tank to be used in case of a breakdown at the water plant would help Columbia to get in the three and one-half class. The approximate cost of this tank would be about \$20,000."

The council decided, on the motion of Councilman Ira Davis, that Mr. Nowell's report would be accepted, but that inasmuch as a new turning and property owners in this district, stating that they were against the construction of such a sewer, should be constructed to keep down future expenses of the city. An ordinance was passed accepting the bid of George W. Barkwell and awarding the contract for this sewer to him.

**Hathman Reports on Needs**  
J. E. Hathman of the water and light committee reported that an overhead crane was needed at the water plant to handle the machinery. He submitted three bids for this crane to the council. Mr. Davis contended that this matter had not been brought up before the council before and that the water and light committee should inform the council as to its intentions before accepting any bids. The council then decided that Burns and McDonnell of Kansas City be employed to draw specifications for the crane.

City Engineer W. B. Cauthorn presented his specifications for a sidewalk on the east side of Fifth Street between Rogers and Hickman Avenue. He said it would be necessary to construct a culvert about 350 feet long to take care of the storm water and would cost at least \$7 or \$8 per foot. It was decided that this work would be ordered put in if the property owners would share their part of the expense.

**Bills Are Allowed**  
Bills were allowed from the following funds: Water and light, \$8335.38; securities, \$175; general revenue, \$546.64; library accounts, \$510.41; Connel Fund, \$123.51; maintenance, \$643.58; disposal plant, \$2456.13; making a total of \$12,781.65.

A bill providing for the appointment of judges and the designation of polling places for the general city election on April 2 was passed. The following judges were appointed: First Ward, Judges J. E.
